

# friends of BRADFORD'S BECKS

**URBAN  
POLLUTION  
HUNTER**

(Clockwise from top left)

Volunteers from FoBB explore Bradford Beck.

FoBB's campaign to identify and pursue pollution is filmed as part of a national day of BBC reporting on river pollution.

A spider makes its web amongst a tangle of wet wipes washed out of a sewer overflow.

The impact of a misconnected drain on the Beck.

Possibly the most unusual hidden drain we've found, hidden under a grave surround.
